Report of Principal and School

We are very proud of the achievements at Travelers Rest High School during the 2013-2014 school year. Despite continued budgetary challenges, TRHS has maintained a singular focus on student achievement and success. With outstanding support from the community, PTSA, and SIC, we work together to provide an outstanding educational experience for the TRHS student body.

Targeted efforts to provide an academically challenging curriculum continues to be a valuable opportunity afforded our students. Providing the International Baccalaureate Middle Years and Diploma Programs, nine Advanced Placement classes, and the continuation of dual credit courses in conjunction with Greenville Tech sets our students on a path of academic preparedness for college. These three rigorous programs enable our students to leave our school well on their way to a college degree and we are proud that Travelers Rest High is the only school in Greenville County to offer three college level programs for our students. As a result of these and other efforts to bolster academic success our students, we were at the top of the county and state in End of Course (EOC) Exam scores and our ACT scores set a school record at 21.5. Our seniors continued the tradition of academic excellence with scholarship offers exceeding \$6.7 million and we had seven Palmetto Fellow Scholarship winners.

Just as important as academic rigor are our efforts to support students struggling to maintain academic standing. We continue with great success to provide non-traditional learning opportunities resulting in an increase in the number of students graduating. These efforts include HSAP remediation, Twilight School, free credit recovery opportunities, the Satellite Diploma Program and virtual classes.

As always, extracurricular activities continued to enhance the school experience. Of course we must begin with our Ladies Tennis State Championship, the second ladies state championship in any sport in school history, followed closely by the Ladies Individual State Champion. Our Men's Basketball team achieved their first ever number one state ranking and we had eight all-state individuals across all sports. The fine arts program continues to win awards, with our band receiving the Overall Performance Award for the Fourth consecutive time and fifth in five years and the theatre program receiving top state awards for their overall performance and lead actor. The student body demonstrated character and commitment to the community by raising over \$40,000 for local charities. Student Council was named a South Carolina Gold Level Honor Council for the tenth consecutive year and was awarded a National Gold Level Honor Council award for the sixth consecutive year, one of only four schools in South Carolina and the only Greenville County School to receive this honor.

As educators, parents, and community members, we feel the students of TRHS are provided superior educational and extracurricular opportunities. Our faculty and staff, in partnership with our community, are committed to achieving this goal. Please feel free to contact the school if you have any questions, comments, or suggestions.

Ms. Brandy Amidon, SIC Chair and Mr. Lou Lavelly, Principal

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	82.5
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Travelers Rest High School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
